Commissioner Carlson, Commissioner Mayo, and Commissioner Carlson were present at a special meeting beginning at 5:00 p.m. Gail Westgate was present for the meeting.

The Board of Commissioners held interviews with four applicants that applied for the Clay County Park Manager position. Each interview lasted approximately 45 minutes.

The Board of Commissioners and Ms. Westgate discussed and reviewed each applicant and decided to make the job offer to one of the applicants. Chairman Carlson will contact the individual and make the offer.

Ms. Westgate left the meeting.

Commissioner Mayo reported on the remaining SPARKS funds that need to be distributed by February 28<sup>th</sup>. The Board made the decision to pay the remaining bills for approved County projects and the remaining balance would be distributed evenly between nine non-profit organizations that had applied and received funds previously from the County. This will take the balance of the SPARKS fund to zero.

The Board adjourned at 8:40 p.m.
